

Ripon Garden Club, in partnership with the City of Ripon, has

established a *Memorial Rose Garden at Mavis Stouffer Park*. Four beds are planted with over 50 roses in shades of red, pink, orange, and multi-colored. The *Memorial Rose Garden* was developed in remembrance of one of our members whose favorite flower was the rose. Along the fence line, the *Penny Lane* rose is planted in her memory. Additionally, the Garden Club undertook the refresh of the existing *Camellia Garden*, originally planted in 1988. Memorial benches are placed to encourage enjoyment of the fragrance and beauty of the garden.

A beautifully constructed arbor, built by the family of one of our members, shelters the memorial brick patio. Add your family name to enhance the garden. A brick may be purchased in honor or to remember a loved one, as a thank you for your donation to the Garden Club.

We would like to thank **Plant America Community Project Grants** and our volunteers for their efforts in building this garden.

Donor Information

Name _____

Address _____

Address _____

City, State _____

Zip Code _____
